Foundation stone laying of park at Dibrugarh in presence of Local MP, MLA and DC.

SOLID WASTE MANAGEMENT

An initiative from June 1,2018 was launched by Dibrugarh Municipal Board (DMB) for the door-to-door collection of garbage from households, commercial establishments and government offices of the town. Garbage disposal is one of the major problems of the town because it lacks a solid waste-management project. Board chairperson Soma Chakraborty said the service would cover all the 22 wards of the town with the help of 25 e-rickshaws and 15 tricycles.

Dibrugarh Municipality Board in collaboration with Clean Cities Foundation and Agrah initiated to turn Dibrugarh of Assam into a Zero waste City. The vibrant tea city of India is one of the largest city of NE India with 66,14 sq. Km area and 1,86,214 Lakhs urban population divided into 22 municipality ward. Through this initiative, waste is collected from door to door in a segregated manner and are recycled, reused and reformed into resources.
